**Certificate of Analysis for PMA EEP**

Date 2026. 03. 19

| Content          | Composition                        | Standard            | Test Results |
|------------------|------------------------------------|---------------------|--------------|
| Assay(by GC)     | Apha Color                         | 15 Max              | 3            |
|                  | Water                              | 0.5% Max            | 0.03         |
|                  | 1-Methoxy-2Propanol                | 1% Max              | 0.18         |
|                  | Methyl Iso-Butyl Ketone            | 1% Max              | 0.09         |
|                  | Methyl 2-methyl lactate            | 10% - 30%           | 13.33        |
|                  | 1-methoxy 2propyl acetate          | 10%-45%             | 30.07        |
|                  | 3-Ethoxypropionic acid ethyl ester | 25%-60%             | 42.68        |
|                  | Ethyl 2-hydroxypropanoate          | 0-20%               | 13.62        |
| pH               |                                    | 5-9                 | 6.01         |
| Specific Gravity |                                    | 0.95+-0.05(20C/20C) | 0.98         |
| Boiling Point    |                                    | 100-180C            | 100-180C     |
